5 Steps to Your Dream Kitchen...

Step 1: Be Inspired...

Pick your dream Kitchen from our fabulous **Chippendale Kitchens brochure**, online at www.chippendalekitchens.co.uk or pop in to our **Kitchen showroom in Livingston**.
What **Colours** and **Textures** do you like? Decide on the **Doors, Cabinets & Handles** that you like.
What **Appliances** do you want?

Step 2: It's all in the planning...

Measure your Kitchen Room dimensions.....remember to include all **Doors, Windows, Pipe boxes** and the location of the **Mains water** supply. Think about how you would like to use the **space**. Think about **storage**.
What would be your ideal **layout**?

Step 3: Talk to us...

Once you have the measurements and a rough outline of what you want.... it's time to visit **Orchard Timber Products** to chat through your ideas with one of our experienced **Kitchen Designers**.
We will go over all your ideas and discuss with you what will work & what won't. We will also go through the Kitchen Promotions with you to give you the best deals at the time.
(Up to 50% on certain Kitchens)

Step 4: 3D Kitchen Design & Floor Plan...

Once we have all the information on your **"Wish List"** we will design your new Kitchen on our state of the art CAD Design system for you.
When you are completely happy with the **Kitchen Drawings & Plans**....we will then give you a **no obligation quote**.

Step 5: Make it happen...

If you are **100% satisfied** with your Kitchen quote and layout and would like to proceed with your order...
Please let us know and we will do the rest.
